## Join Holy Cross kindergarten for your child's learning journey

Kindergarten is a significant milestone and the beginning of a lifelong, faith-filled journey. Holy Cross kindergarten offers children the opportunity to nurture his or her social, physical, intellectual and spiritual growth.

Recognizing that each child develops differently and is uniquely gifted by God, our team of professional staff strives to help all children reach their full potential. We focus on nurturing a safe and caring environment. Using our Catholic values as a guide, Holy Cross kindergarten ensures that your child is safe and comfortable in our classrooms.

Holy Cross kindergarten curriculum is grounded in the Catholic faith with basic academic and social skills being taught. A phonetic approach is taken in teaching reading and a regular story time occurs daily. The basics of numerals and number sense are practiced each day. Students are introduced to Spanish, computers, music, art, library, science and social studies concepts.

## Partner with Holy Cross

Our school values parents as partners. We know that parents are the first and best teachers of their children. We look forward to fostering a positive relationship with you so that together we can achieve excellence in education for your child. We welcome parents into school to assist with classroom reading activities and celebrations. Volunteers are also needed for playground duty and driving for field trips.
