

Volunteering at Holy Cross

Thank you so much for volunteering to help at Holy Cross! Without our parents, grandparents and alumni our school could not thrive and grow. We are blessed to have a community that works and plays together for the betterment of all our student community.

Diocese of Peoria Requirements

Please create an account with CMG Connect through the Diocese of Peoria. Go to this website: <https://peoria.cmgconnect.org/> and fill out the information for "Register for a New Account"

Parent Volunteer:

Once you have created an account, please complete the following training requirements:

1. **Safe Environment Training** - If you have completed this training in the past, you must now complete it online through the CMG Connect portal, please and thank you.
French version available too
 - a. **DCFS CANTS Form** (Child Abuse Neglect Tracking System). This form CAN NOT be submitted through your Safe Environment Training via CMG Connect, please submit a paper copy to the school office. It must be sent to the *Diocese of Peoria* through the school; please do not email it yourself. At this time, it requires a "wet signature"; DCFS will not accept electronic signatures. DCFS is advising that the CANTS background checks are taking from 7-13 weeks. As long as you have *turned this form into the school*, you can begin volunteering.
 - b. Please click through the CANTS information and to get to the Selection.com federal background check. You can choose to pay for the processing yourself (thank you in advance) or ask the school to pay for the processing, either choice is acceptable.
 - c. The Selection.com federal background check usually is returned rather quickly. The school can check your certification status at any time and will verify you are in compliance each school year.
2. **Drive Safe Training** - Please complete this training in its entirety.
 - a. The school can check your certification status at any time and will verify you are in compliance each school year.

Coach Volunteers:

1. **Safe Environment Training** (see instructions above)
2. **Drive Safe Training** - Please complete this training in its entirety.
3. **Bloodborne Pathogens** - Please complete this training in its entirety.
