This program will allow you to buy all your school supplies in one simple order AND save money in the process. By buying at wholesale prices, 1st Day can offer savings of up to 30% over stores like Target, Walmart and Amazon. 1st Day uses only brand names you trust and respect like Ticonderoga, Crayola, Elmer's and Clorox. Additionally, the supplies in these kits were selected and approved by all our teachers to meet the specific needs of their classroom supply list.

Bonus #1 - Save time & money

Bonus #2 - Your child will have the exact supplies from their school supply list (no shopping at 3 stores to find a missing item!!)

Please follow the below link to order. **Orders will be open until July 1 in order to ensure delivery before the first day of school in August.**

Please remember to purchase the supplies for the grade your child will be in NEXT year, SY25-26.

Each year Holy Cross donates bags of unclaimed items to local charities. Any uniform clothing items are washed and put into the Uniform Exchange Closet for future use by a Holy Cross family. As you buy new clothes, school supplies, lunchboxes and backpacks this summer, please **label every item with your student's name.**

There are even great websites like: namebubbles.com where you can purchase clothing labels that will not come off in the wash! The school office returns all labeled items to a student's backpack or locker. Please remember to label everything!

Reminder to Parents of IESA Athletes for SY25-26

If your child will be participating in any sport during the 2025 - 2026 school year, a current physical or sports physical must be submitted to the school office before practice begins for that sport. Physicals expire one year from the date on the current form. IESA grants a 30-day grace period to obtain a new physical. Health insurance will not approve a new health physical unless 365 days +1 have passed. If your child's physical expires mid-year, the school office will notify you of the upcoming expiration date. Your child will be excluded from practices and games if his or her physical has expired past the 30-day grace period. Convenient care and pediatricians can also issue a IESA/IHSA Sports Physical, which is different from the annual health physical. Sports physicals can be obtained at any time during the calendar year.
